Mr. John A. Baker  
EUR/EE  
Department of State  
Room 5520 Main State  
Washington, D. C.

Dear Mr. Baker:

We have reviewed the documents referred to us by you in your memorandum of 4 October 1973 concerning the Radios. It is the position of our people that the documents must remain classified under Exemptions 5(B)(2) and 5(B)(3). I assume the Department also would require exemption under 5(B)(3). We have not been able to set a date or event upon which the documents could automatically declassify.

Sincerely,

John S. Warner  
Acting General Counsel
